

Internship Experience

Tell us about your experience as an intern in less than 200 words. Students are very interested in learning about the experiences of others and your experience is important and can offer a way for others to learn valuable lessons from the internship experience as well as suggestions for improving the experience.

Email completed form to internship@ee.ryerson.ca by Friday, July 14, 2017.

Summary of Work Term Experience

Explain the benefits of your internship (experience, salary, job offers, special perks, networking, etc), and why you would recommend an internship to other students.

Photograph Guidelines

- Submit 1 to 3 photographs of you working at your internship or in front of a sign with the company name. Please also adhere to the following guidelines:
- Photographs must be a least 4 megapixels (2400 x 1600px), but 5+ megapixels is preferred. 300 dpi is also preferred.
- Do not download photos from Facebook or other social media sites since they are usually compressed.
- Photos should be submitted in their original format (.jpg, .png, etc.); Do not insert them into a Word document.
- Cell phone quality photos will not be accepted.
- If you are submitting pictures of yourself working on a project or from within the company, please have your supervisor or HR Department sign this form approving the pictures.

I hereby give my consent to the Department of Electrical and Computer Engineering the following:

- Copyright and/or use of my photographic images and/or video and/or testimonials in various forms of media, including printed or multi-media materials, to be used by or for the Department of Electrical and Computer Engineering to assist in publicity, promotion, and/or educational purposes.
- The permission to identify me by name, program and such identifiers as class, year, graduation date and hometown (if applicable)
- I hereby realize and accept that I am participating on a voluntary basis and will not receive financial compensation from the photographer/videographer/interviewer, from the Department of Electrical and Computer Engineering or any firm publishing and/or distributing the finished product.

I understand and agree to this release.
